Minutes

ToDo

Please, review all [ToDo's](#) and update them.

Finances

We are in a critical situation. The funds will last for 3 months, maybe 4 (with very smart management). We'll post a support request to 20 different organizations. Please get in touch with [prometheus](#) for details.

Interna & Documents

We'll abandon C3L cloud in order to stay independent and switch to [Syncthing](#).

FVDE Flag

The King wants to have a flag with our logo. It will be designed in April and printed in May. Anybody to come forward to sponsor the flag, please come forward.

Publicity

Do as many serious publicity as you possible can!

Simple abuse mail statistics

In the near future there should become some sort of system available to the public for viewing our received abuse mails. They will be ranked and sorted into different groups. An abuse mail of the month and year shall not be missed!
